

## FUNDING INFORMATION FOR MEDICAID WAIVER PROGRAMS

An individual receiving services with Bancroft NeuroRehab (BNR) must maintain funding in order to continue receiving services. If you or your loved one is seeking state funding, options may be available.

State funding is considered Medicaid. Each state will have its own requirements and programs within Medicaid. BNR accepts two parts of NJ Medicaid as a payor for services.

- Department of Developmental Disabilities Fee for Services (DDD FFS)
- Managed Long-Term Supports and Services (MLTSS) with the Traumatic Brain Injury (TBI) Designation Waiver

**PLEASE NOTE THAT NJ MEDICAID ALONE IS NOT A SOLE-FUNDING SOURCE FOR BANCROFT NEUROREHAB RESIDENTIAL SERVICES. THE INDIVIDUAL MUST EITHER BE ENROLLED IN DDD FFS OR NJ MLTSS WITH THE TBI DESIGNATION AND MEET BNR ADMISSION CRITERIA.**

NJ State funding is based on income criteria. [NJ FamilyCare Aged, Blind, Disabled Programs](#). To be eligible for Medicaid a person must:

- Be a resident of New Jersey
- Be a U.S. Citizen or qualified alien (most immigrants who arrive after August 22, 1996, are barred from Medicaid for five years, but could be eligible for [NJ FamilyCare](#) and certain programs for [pregnant women](#))
- Meet specific standards for financial income and resources

Additionally, a person must fall in the following categories:

- Families with dependent children
- People who are 65 years of age or older, blind, or permanently disabled
- Pregnant women

In BNR, if a person is applying for Medicaid they will most likely fall into the category of people who are 65 years of age or older, blind, or permanently disabled.
